Re: Third Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, LLC d/b/a AT&T South Carolina and YMax Communications Corporation, Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996 Docket No. 2006-362-C

Dear Ms. Boyd:

Pursuant to Section 252(e) of the Telecommunications Act of 1996, BellSouth Telecommunications, LLC, d/b/a AT&T South Carolina ("AT&T") and YMax Communications Corporations ("CLEC") submit to the South Carolina Public Service Commission the Third Amendment to their Interconnection Agreement for, among other things, the interconnection of their networks, the unbundling of specific network elements and the resale of AT&T's telecommunications services. The agreement was negotiated pursuant to Sections 251 and 252 of the Act and also may contain terms and conditions for products and services voluntarily agreed to by the parties outside the scope of Sections 251 and 252 of the Act.

Pursuant to Section 252(e) of the Act, the Commission is charged with approving or rejecting the negotiated amendment between AT&T and CLEC within 90 days of its submission. The Commission may only reject such an amendment if it finds that the amendment or any portion of the amendment discriminates against a telecommunications carrier not a party to the amendment or the implementation of the amendment or any portion of the amendment is not consistent with the public interest, convenience and necessity. Both parties represent that neither of these reasons exists as to the amendment they have negotiated and that the Commission should approve their amendment.

As a courtesy, a copy of this amendment is being provided to the Office of Regulatory Staff.

Sincerely yours,

Richard T. Howell
